POLICY GOVERNING YOUR SCHOLARSHIP

The scholarship can be used to cover any post-secondary education at colleges or universities and any other type of education expense to better the bowler's knowledge or skills. This includes expenses for driver's education and any technical skill expenses. Please let us know in advance of what the expense will be and we will assess the eligibility of the expense.

We will send the funds from our account here to the organization of their request. We do not want to forward funds to the parent or guardian. To redeem the scholarship, please fill out the attached Application for Scholarship Funds form (also found on our London and District Ten Pin Bowling Association (LADTPBA) website) and forward it by mail or email to the address at the top of the request form. Normal timeframe for redemption is three weeks. If there is urgency in redeeming the funds, please call the phone number on the form and speak to Lloyd Messeroll after the form is emailed.

Expiration is five years past the anticipated graduation from High School for the bowler.

If you or the parents or guardians have a question, feel free to send an email to LADTPBA email address (ladtpba@rogers.com).
