Weekly Highlights

Bruder rolls 300:

Dave Bruder rolled a perfect game in his first game of the day, in Lambton County Tenpin Association (LCTA) bowling action this past week, to record the high single of the week topping his previous high game of 287. He was bowling in the Best Wiring Classic League (BWCL) on lanes 23 & 24 at Marcin Bowl, finishing the day with a 733 (300 – 104 pins over average , 178, 255 – 59 pins over average - 145 pins over average for three games) triple which was good for the 3rd high triple of the week. It was his first 700 of the season. Dave had no 700's last season. Bruder experienced the excitement of accomplishing the last strike under

stressful body conditions, knowing that every bowler was watching him on his final delivery and he performed with class firing a solid pocket hit. It was his career first 300 and the 8th in the LCTA this season. It was also Bruder's career high triple topping his previous 721. Dave is also eligible for a 100 pins over average for a single game award with his perfect game. Bruder did not come up through a youth bowling organization but started bowling at age 31 and credits Larry Plumb as his teacher in helping him improve his game. He has been bowling for 20 years minus two Covid years. Like many bowlers, his interest in bowling started with Rock N Roll with friends which led him to a sanctioned bowling league. Besides bowling, his other sporting interests are hockey and golf. His hobbies are computers, music and video games. Bruder, a right-handed bowler, is averaging 198 for 60 games in the BWCL this season bowling with teammates George Newman and Mike Marciniszyn.

Smith is number one:

Connor D.R. Smith tossed 760 (225-245-290 – 77 pins over average – 121 pins over average for three games) in the Fabbri Tile Bluewater Monday Night Men's League (FTBMNML) on lanes 27 & 28 at Marcin Bowl, to record the high triple of the week in LCTA bowling action. Connor is eligible for the eleven strikes in a row award with his 290. It was his 3rd 700 of the season as he previously bowled 709 (242-275-192) and 736 (256-227-253). Smith is averaging 216 for 48 games in the FTBMNML this season. Last year in the league he averaged 217 for 81 games.

Farrenkopf fires new high triple:

His previous high scores were 567 and 215. Brown did not come through any organized youth league but first started bowling in the RCAFA league shy of mid season in the 2022-2023 season at age 46 finishing with a 144 average for 39 games. In the 2023-2024 season in the league he finished with a 136 average for 99 games. Last season Wes had to leave the league due to a spinal injury and finished the year with a 127 average for 21 games. Brown decided to get back into bowling this season with his back fully recovered and is averaging 156 for 54 games bowling with teammates Jeff Hrycyk, Peter Goodman and Jean Guy Morin.

When asked what got him interested in 10-pin bowling he replied “what interested me the most was the growth and new popularity of the 2- handed bowling in the PBA with guys like Kyle Troup, Jason Belmonte and Anthony Simonsen”. Brown, a right-handed bowler, started bowling one handed but switched to 2 handed for a partial season. After his injury, he said he defaulted back to one handed and it seems to be working better for him. His reply to other sporting interests was “all sports related to Detroit or anyone playing against Toronto”. His hobbies include country music, fishing and cooking meals. When asked about his most memorable moment in bowling so far he said “Tuesday night’s performance (587- 248) was obviously the most memorable event for me but I enjoy the weekly camaraderie and friendly competition of the league every week”.
