THANK YOU to DAVE LECLAIR for putting together the final picture report and for all his work that he has done during the year on editing the LCTA bowling reports and his great picture set ups. THANK YOU to those bowlers who took the time to check our Honker's Highlights each week, and I hope everybody enjoyed reading the report or just looking at the pictures. THANK YOU to those people who sent me videos on 300 games and to those people who supplied me with pictures each week and pictures for the final report. I hope everyone has a GREAT summer and will be returning to the lanes in September.....
