### **Memory Lane:**

## **Border City Men's League**

When the doors to Marcin Bowl first opened, the original configuration was twelve 5-pin lanes with a small snack bar. Over the years, additions were added. In the mid-1960s, twelve lanes of 10-pin were added, followed by another twelve lanes in 1976.

The Border City Men's League was one of the first leagues to begin bowling at Marcin's when it opened in 1957. The league was organized by Tony Serratore. According to one of the original bowlers it was started as a shift workers league and they were allowed to have bowl-offs. Once the tenpin side was completed in 1961/62 they moved the league to become one of the first tenpin leagues at Marcin's. Most of the information about this league was provided by one of the original bowlers, Valdo Pennesi. He said that from the very start of the league they had 12 five man teams. He doesn't remember any of the organizing executive except for Tony as he was more interested in just showing up to bowl. He continued to bowl in the league until the end of the 2010/2011 season. The league was one of the only late start time leagues in the city for the last 35 years and in it's long run they had as many as 20 five man teams. He also remembers that there was never any problem getting spares as bowlers who wanted to spare would show up early and let the desk know that they were available to spare. At times there were as many as 20 guys wanting to spare on any given night.

Prior to 1998 the league secretary/treasurer was Harry Dunlop and when he retired the team he bowled for donated the Harry Dunlop High Series Trophy.

The Matheson Insurance Trophy was originally awarded to the league champions from 1961 to 1983. It was then renamed the Mike Marciniszyn Memorial Trophy in remembrance of Mike who died in an accident. The Matheson Insurance Trophy was then awarded to the holder of the league High Single of the year

In 1973 the Ace Trucking Trophy was established by Ace Concordia to be awarded to the winners of the league year end tournament. Then in 1998/99 the Jim Nicholson Trophy was established By TSM Mechanical to honour one of their bowlers who was killed while trimming a tree for his daughter, which is awarded to the holder of the league High Average. And last but not least in 1981 the Paul Champagne Memorial Trophy was established by his teammates to recognize the Most Sportsmanlike Bowler in the league because that is what Paul was like.

The league celebrated it's 50<sup>th</sup> year as a sanctioned league in 2011 and received a certificate and a letter commemorating this achievement. During all those years many bowlers have come and gone but the league still continues to keep filling it's rosters. Some of the bowlers who have bowled in this league at one time or another during those 50 years are : Mike Marciniszyn, Steve Marciniszyn Jr., Yaris Kohut, Bob Yates, Dan Mandeville, Mel Matthews, Mike Jones, Doug Snelgrove, George Rogers, Roger Winter, Ron Langille, Earl Wolfgram, Rick Birmingham, Tom Manis( who bowled the 1<sup>st</sup> 300 in the league), Jim Lapointe, Roy Mezzatesta, Edgar Haddon, Steve Lewicki Sr., Steve Lewicki Jr., and Ron Kloske just to name a few of the more well known Sarnia bowlers. If you are interested in seeing more on the past champions and other award winners search on google "Border City Mens League" and go to their website. Congratulations on such a long history and keep on bowling.
