**Youth bowler inks University Scholarship:**

Morgan Pelkie accepted and signed a substantial scholarship offered to her to attend and bowl for the private Oklahoma Christian University (OCU) located in Oklahoma City.

The educational scholarship had been a possibility over the last few years as she was

bowling in local and provincial tournaments adding achievements to her credentials. She was eager to add more wins in her bowling tournaments especially the Ontario Youth Bowling Tournaments (OYBT - monthly competition) held in different cities but she had her eye on obtaining a university bowling scholarship. This year the forefront of her main goal was to ink a University scholarship to further her education. Morgan will pursue a history and prelaw program while being part of the university team.

Morgan is an Intermediate Division bowler with the Marcin Bowl Youth Tenpin League. She came to the Marcin junior program at the age of 5 and has continued with the program and her love for bowling for the last 13 years. Each year, with the help of her coach Gil Jean, she set goals that she wanted to achieve in that bowling season. Her goals this year were to improve her mental attitude and hit the 200 average. She currently is averaging 203 after 16 weeks on the lanes and has a good chance of fulfilling that goal if she maintains her game. Morgan has made bowling and good school grades a priority in her daily life.

Coming up through the years Morgan has won scholarship money in different divisions in Canadian Tenpin Federation (CTF) and OYBT tournaments. She has one CTF victory and in the OYBT she has one win, two seconds and 10 third place finishes. She was named bowler of the year in the 2014-2015 season for the Marcin junior program. She has received a \$500.00 scholarship from the Lambton County Tenpin Association (LCTA). In 2018 Morgan entered the Team Canada trials and won a spot on the Junior Team Canada being the youngest member of the team. The qualifying is very difficult and Morgan came through in her last game to advance from 6<sup>th</sup> place to 4<sup>th</sup> place to secure a spot on the team. This is an elite position that many junior bowlers try for but do not succeed. Last year she held the LCTA /Ontario Provincial Intermediate High Average with a 198. Her career personal sanctioned high scores are a 297 single and a 780 triple.

Our CONGRATULATIONS from the LCTA to Morgan on her outstanding accomplishments and now entering her OCU scholarship adventure. Very few bowlers in Ontario can make this claim. With the on-going support of her family and coaches, Morgan will be able to top the goals she sets for herself. Congratulations once again for what you have achieved and for your future.
